

YOUR GUIDE TO OUR PLATINUM PROMISE

THE POWER TO MAKE YOUR HOME SAFER

ELECSA

When it comes to improving the electrics in your home, choosing an NICEIC or ELECSA registered contractor is a householder's best option.

That's because all NICEIC and ELECSA registered businesses are covered by our Platinum Promise – a promise that protects you against all non-compliant installation work.

Should any work carried out by one of our contractors be found not to comply with the Building Regulations or relevant installation standards, we can instruct the contractor to go back and carry out the work to the required standard.

If the contractor is no longer in business or disputes the matter we will have the work rectified by another registered contractor at no extra cost.

The Platinum promise is valid for up to six years from the date of the completion of the original work and covers work up to a maximum of £25,000 for any one installation.

We know how important it is for you to feel confident in the work carried out in your home or business.

Platinum Promise is an assurance that choosing an NICEIC or ELECSA registered installer is always the best option.
